Souper Salad Is Where...

Something Delicious Happens Every Day!

We start every day gathering market-fresh produce and provisions to make and bake our own recipes, in our own kitchens. But one ingredient is always on hand: a warm smile to greet you with—every day!

We Know Soup!

Some people say that soup makes you feel better...

Our soups are so good, they'll make you feel better even if you're already feeling great!

From old family recipes to the trendiest tureens, we've been developing our own recipes and serving you the "Best Soups in Boston" for more than 30 years. You'll never, ever find a canned or frozen soup in *our* stock pots!

We Love Salad!

Consider the sheer number of items in our award-winning Salad Bar... From always-crisp-and-tender, carefully-selected lettuce leaves, to a rainbow of snap-fresh vegetables; from exotic curried creations to zesty marinated mixtures, to bounteous bowls of toppings and accoutrements... You can fix a delectably different salad, just the way you like it—from lean to hearty—every day of the week.

And don't forget our exclusive Souper Salad dressings that you won't find anywhere else!

A Walkabout is a Meal, Not a Meander!

Souper Salad Walkabouts are Boston's first and (in our humble opinion) the very best pita-rolled sandwiches you'll find anywhere.

The Most Important Ingredient is You!

Souper Salad is a local, family-owned business. We've got a personal stake in the quality of your experience, and we strive to extend our sense of pride to each Souper Salad team member who serves you. We'd like to thank you, our guests, for helping to make our enterprise "Boston's Best Soup and Salad Restaurant" for two generations now... and counting!
